

## DREAM<sup>PID/ONE</sup>

The most emblematic coffee machine in our range for Home.

The PID version offers a totally professional performance: stainless steel Ø 58mm filter holder externally adjustable OPV and an external PID display for temperature setting, adjustable pre-infusion, stand-by option and much more.

A dream machine!.

**Thermodinamic group** with PID control. **Thermal stability.** Quality in cup. Less limescale build-up. Stainless steel circuit reduces limescale build-up. Unlimited steam.

**Healthy 100%.** AISI 316 stainless steel water circuit. No metal migration in water. Complies with European standard EN 16889.

**Clean water.** Here it is constantly renewed and clean for every coffee. The taste and smell of the coffee are unaffected.
